This week's  
attendance  
**92.1%**

Dear parents/carers,

I am so pleased to share that most of the children who have been self-isolating have now returned to school and are fit and well. We have had no further positive covid cases reported this week and will continue to monitor and update our current risk assessments if necessary. If we continue to have no further cases, we would like to invite parents to attend our book and biscuit morning next Friday 25<sup>th</sup> March from 8:50-9:15, followed by our weekly celebration assembly (we will let parents know if this will go ahead next week by text). We ask that all parents wear a face covering whilst in school. Thank you so much for your support.

Your child will come home today with their updated targets for the spring term. These targets will have been shared with the children and will be a focus for this term and the beginning of the summer term. Working in partnership with parents and children, we can support your child/ren to be able to achieve their full potential. If you were unable to book an appointment or would like to speak to your child's class teacher, please do contact the school office or speak to a member of staff during drop off and pick up.

## **Parent Forum Minutes**

Apologies for the delay in sharing the recorded Parents forum that took place on the first week back of this half term. I recorded the team meeting as I thought that it might be useful for parents who were unable to attend to watch when they had some time available. We have experienced some difficulty in allowing parents to then access the link. Hopefully we have now fixed this. Click the following link to watch the meeting

## OCRA Cross Country Event

The children will take part in our third and final cross-country event at Sleekers Farm, Sourton on Monday 21<sup>st</sup> March. The coach will depart school at 12:50pm, so the children will have a slightly early lunch on that day but can book a school dinner as usual. The coach will arrive back to school before the end of the school day. Children will need to come to school in full PE kit and have a water bottle. In the next few weeks, we hope to share with you the overall results from the three races against various schools across the trust.

Wishing you all a wonderful weekend,

Mrs Cook

# Super Learners of the Week!

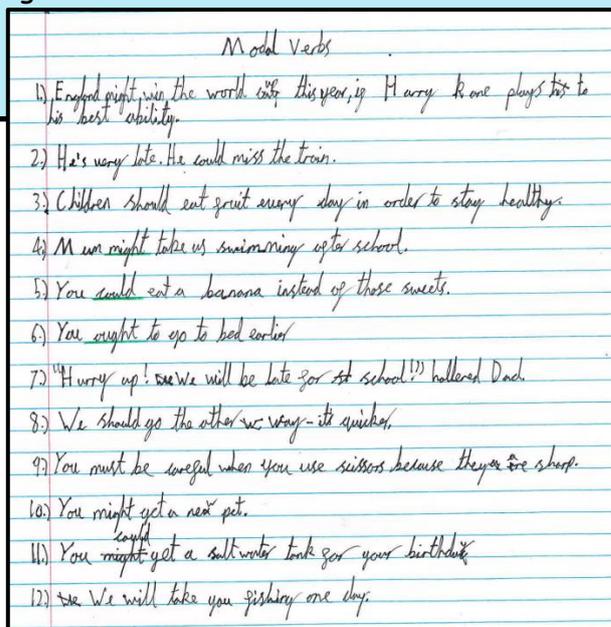

## Class 1

Laila has had a great attitude towards her learning this week. We have learnt new techniques in English that she has shown a good understanding of and has helped her peers when they have been struggling to understand the new concepts. Well done, Laila!

## Class 2

Ethan has been showing a positive attitude towards his learning. He has focussed on his presentation of his learning has improved significantly. During SATs club Ethan was enthusiastic about the learning and feeling confident. Well done Ethan!

## Christian Ethos - Forgiveness

### Class 1

Ronnie has been brilliant at showing forgiveness this week. There have been occasions in the classroom and on the playground where other children have accidentally done something and apologised to him, and he has accepted their apology using the appropriate language. Well done, Ronnie!

### Class 2

Suzi has been very forgiving and tolerant after a disagreement with another child who she believed was not supporting her in her librarian role as much as she could. The other child showed her remorse by beginning to support more enthusiastically and they were able to complete their task as a team. Well done!
