## **Newsletter**

**Friday 20<sup>th</sup> November 2020**

Last week's  
attendance  
was:  
**99%**

Dear parents/carers,

As part of our Anti-bullying week, the children have been looking at the definition of a 'bully' and different types of bullying behaviour that someone could experience. They have been very sensible in their discussions and have given fantastic responses to different situations we have explored in the classroom. Both classes have also been looking at what makes a good friend and 'good' friend qualities. We hope to share our displays with you in next week's newsletter. Staff have also carried out some questionnaires with the children and the results to the children's responses will be shared next week.

Our School Council members did a great job of starting up the school Tuck Shop this week and it was lovely to see the children using practical maths to problem solve with money. The children hope to discuss what they would like to spend their profit on with Mrs Johnstone in their next school council meeting. Our tuck shop will continue weekly and the school council will have a variety of things to sell ranging from 10p to 50p.

Unfortunately, due to Covid restrictions we are unable to put on a whole school Nativity performance this year which is so disappointing for parents as well as the children. Mrs Lee and I hope to put together some prayers and songs for Christmas with our classes. We would like to record the children and share this with parents in our last week of term, more information about this to follow soon.

Just a reminder to check any outstanding dinner money that is owed. As parents order dinners weekly in advance, we ask that you settle your dinner bill weekly please.

Many thanks for your continual support,  
Mrs Cook

## PTFA Christmas Hamper

This year not only could you have the chance of winning our usual **Grand Christmas Hamper** but we're also selling additional tickets for the chance to win a **Children's Christmas Hamper**!

Next week a member of the PTFA will be asking parents to kindly donate an item or two from their list (please make sure the best before date isn't before 25<sup>th</sup> Dec 2020). This is a big fundraiser for the school, so your generosity and support is greatly appreciated.

Envelopes will be sent home next week containing this year's tickets. Please return *all* sold & unsold tickets along with any cash to school by Tuesday 15<sup>th</sup> December. The draw will take place during the last week of term and we will notify you if you have won.

If you require additional tickets, please speak to a member of the PTFA or pop into the Village Shop. Good luck!

## Christmas Card Orders

Supporting

Our School Council have met this week and have decided that they would like to support 'Crisis at

Christmas' again this year. They would like to help give some people an opportunity to have a warm bed and warm cooked meal at Christmas. To raise money each child will create 2 A6 sized Christmas card designs on our pre bordered cards. These will then be copied to make 5 of each. Cards will be made available for parents to purchase for **£3.00** (pk of 10).

An order form will be sent home with your child next week. **Please note these cards will be made to order so if you're interested in placing an order, please return the slip & payment to school by Monday 30<sup>th</sup> November.**
