Friday 25th January 2019

Dear parents/carers,

In our daily worships this week the children have continued to develop their understanding of endurance. They have been developing their ability to see worship time as a time for reflection and thinking. Therefore, we expect them to enter the hall quietly allowing themselves time to reflect on their day. It is lovely to see lots of parents joining us to celebrate the children’s achievements every Friday and we would ask you to support us by refraining from having conversations during our assembly. We are aware that young children do attend and can get restless; we ask that your younger children stay with you and don’t join their siblings, and if they become agitated that you take them to the lobby to calm down before re-joining us. Our Christian ethos is an element of school life that we are continuing to develop at Northlew, and by working in partnership with our parents we feel this is something we can achieve together.

Many thanks for your continued support.

Mrs Cook

SIMS Parent Lite: Login Sessions

Many parents have been having various issues with logging into the app. Therefore, we have arranged for Nuala McDermott (MAT Data Protection Officer) to come into school and hold a parent login session, in order to assist with everyone being able to access SIMS Parent Lite.

With the recent changes to GDPR regulations it is extremely important that parents use this app to amend any personal data relating to their children e.g. contact numbers, address, allergies, medical practice & emergency contacts as this is no longer the responsibility of the school administrator. The sessions will be held on the following date:

- **9:00am- Thursday 7th February**
(A smartphone/laptop would be useful for the session).

Please try to make time in your busy schedules to attend, as it's essential that you can all log in!

School Council Fundraisers- Spring Term

- **Friday 15th February-** Non uniform day (£1) for Pitch in a Pound, North Devon Hospice
- **Friday 15th March-** Cake sale & non uniform day (£1) for Red Nose Day & Themba Church, Africa.

Litter Pick

The children in class 2 have been reading their class text 'The Paperbag Prince' which explores the importance of recycling and looking after the environment. Next Thursday 31st the children in class 2 will be carrying out a litter pick around Northlew Village and looking at how the community recycle their waste.

Saints Southwest Soccer Schools offer exceptional value for money, and the opportunity for young players to improve their skills through a structured and enjoyable coaching programme devised and delivered by experienced and FA qualified coaches. The Soccer Schools are action packed days which allows children to learn new skills and improve match play whilst having fun.

SUPER LEARNERS OF THE WEEK!

Class 1

Casper has persevered, carefully followed instructions and has represented his work beautifully.

21.01.19	I can use ten frames and number lines to support my addition learning.	T P
----------	--	--------

Represent each calculation on ten frames and a number line

$9 + 4 = 13$ $6 + 8 = 14$

$11 + 12 = 23$
 $5 + 10 = 15$

Class 2

Lillie has persevered with her ability to solve division problems using the chunking method - a method she found very challenging!

Due to technical difficulties Lillie's learning will feature in next week's newsletter.
