

School Council Meeting

28th April 2021

Present at the meeting were Marjorie, Grace F, Millie, Rose, Amelie and Darcie.

The questioner: We discussed who was asking what year groups.
Making sure we didn't miss anyone out.

This would take place over a few days to give the councillors time.

We will feed back all the information next week and share with Mrs Cook and Mrs Lee.

A garden rota system is in place Darcie, Thea, Marjorie and Grace will be watering the plants at lunchtime giving them 5 minutes earlier after lunch in the hall to get this done.

Rose said that the children are complaining about the description of the food and that it doesn't match the food they are given. For example when Rose ordered a chicken sandwich it had mayonnaise on it which she is not keen on.

I will pass this information onto Mrs Cook.

The tuck shop this week will be run by Marjorie and Grace they are setting up in the library and making sure they tally up before they leave.

No other items to report except Grace Foulger has decided to leave saying that she felt she wasn't doing anything. This was a shame because she was a great help when we decorated the notice board.
