

## School Council Meeting

### Northlew and Ashbury Primary School

Date:31:3:21

Present:

Marjorie, Millie, Grace D, Amelie, Grace F, Darcie and Rose.

We discussed making a questioner to see if the children had any questions about being back at school and if they have any ideas or problems.

Amelie raised the question, if someone said something really personal and worrying. I said you must direct the child to speak to an adult.

The questioner will be a multi choice layout.

Photos of all councillors are now on the notice board and decoration to show springtime.

Some of the councillors helped make daffodils.

No other issues.
