

Northlew C of E Primary School Curriculum Intent

Our Curriculum has been designed to ensure all children are encouraged to 'Let their light Shine', by offering stimulating, engaging and awe-inspiring learning experiences with our Christian values of endurance, friendship, forgiveness, trust and peace at the root of everything we do.

It is tailored to meet the needs of the children at Northlew Primary, not only by focussing on appropriate subject specific knowledge, skills and understanding as set out in the National Curriculum, but by modelling the virtues given to us by Christ and by developing individual and collaborative learning experiences, a growth mind set, a sense of responsibility and challenges that take them beyond the classroom.

As a small rural village school, we offer a curriculum which responds to the needs of learners and their interests, by enhancing learning experiences and raising awareness from the local area to national and global arenas. Thus, we will develop outward looking pupils who are able to engage in learning about themselves and understand the wider world and its complex cultures.
