

Friday 3rd July – Friday 10th July Class 2 Planning overview

Dear Parent/Carer,

Please find below an overview for the teaching and learning for the week ahead. I hope the overview is helpful to give you an insight into what your child will be exploring at home over the week.

This week we will be imagining that we are going to be using this website which has similar tutorials to the White Rose with short tutorials and activities for you to complete whilst doing this. Please don't forget that you have access to a wide range of online resources to help you revise grammatical terms we have previously covered such as [spag.com](https://www.spag.com). It is really important for your writing development that you continue to read both independently and aloud. Please remember when doing your writing to use your best cursive (joined) handwriting and proof read what you have written before submitting it.

We will be continuing to use White Rose Maths which follows the format we usually follow in school. These are only short sessions with a tutorial and some questions to follow so if you would like to you could start with the learning from your year group and then revise something from the previous year group.

Mr Thomas will continue to set activities linked with forest school based on the summer term planning; exploring animals and their habitats and comparing where we live.

It is so important that the children look after their bodies as well as their minds; daily workouts with Joe Wicks on You tube are available at 9am, they are a great way to start the day waking up the brain ready for learning. It has been great to see lots of you have posted your morning work outs, pictures, music playing, cookery and outdoor learning. These are extremely important too so please keep it up!

Remember learning takes place all the time, in lots of different situations. I hope that this learning is helpful, fun and engaging for the children. This is a new and unfamiliar situation that has been put upon us all. Working together is vital, so please feel free to email or contact me directly through the class dojo if you have any questions, problems or difficulties you may be facing and I will try my best to help.

Many thanks for your continued support through these challenging times.

Keep safe everyone,

Mrs Lee

## English tasks

## Class 2

It is essential to continue reading each day for at least 20 minutes, this really helps with your grammar, spelling and writing style. Please don't forget you have access to Spag.com and can use this to continue to revise your grammar skills.

## Year 3

This week the learning will focus on an adventure story which you will use to complete reading comprehensions, identifying the features of a text, look at prepositions and then finish off your own story.

## Year 4

This week the learning will focus on writing a news report which you will use to complete reading comprehensions, identifying the features of a text, looking at inverted commas and writing your own news report.

## Year 5

This week the learning will focus on writing character description which you will explore by complete reading comprehensions, identifying the features of a text, looking at relative clauses and writing your own character description.

## Year 6

This week the learning will focus on writing character description which you will explore by complete reading comprehensions, identifying the features of a text, looking at using colons and semi colons and writing your own character description.

Nesy: [www.nesy.com](http://www.nesy.com) (pupils with access only)

Read theory: [www.readtheory.org](http://www.readtheory.org)

BBC Bitesize: <https://www.bbc.co.uk/bitesize/primary>

Literacy shed: [www.literacyshed.com](http://www.literacyshed.com)

Primary Resources: [www.primaryresources.co.uk](http://www.primaryresources.co.uk)

## Maths tasks

## Class 2

A reminder of the multiplication facts children need to be able to recall quickly:

Year 3: 2, 3, 4, 5, 8- and 10-times tables

From Year 4: All times tables up to  $12 \times 12$

### Year 3

Lesson 1 - Measure mass (2)

Lesson 2 - Compare mass

Lesson 3 - Add and subtract mass

Lesson 4 - Measure capacity (2)

Lesson 5- Problem solving

### Year 4

Lesson 1 - Identify angles

Lesson 2 - Compare and order angles

Lesson 3 - Triangles

Lesson 4 - Quadrilaterals

Lesson 5- Problem solving

### Year 5

Lesson 1 - Regular and irregular polygons

Lesson 2 - Reasoning about 3D shapes

Lesson 3 - Reflection

Lesson 4 - Translation

Lesson 5- Problem solving

### Year 6

Lesson 1 - Vertically opposite angles

Lesson 2 - Angles in triangles

Lesson 3 - Angles in quadrilaterals

Lesson 4 - Angles in polygons

Lesson 5- Problem solving

## Wider curriculum tasks

### Class 2

#### History

To research Roman forts and make a model of one labelling and explaining each part.

#### Music

This week, the children will have the opportunity to warm up their voice well and to learn the song **Happy**, reflecting on who or what makes them happy.

#### PSHE

To understand what mental health is and how we can identify positive mental health. We will explore and reflect on ways to positively influence our own mental health.

#### Cooking/DT

This week I would like you to get creative and create a new dish for your family to eat. It may be that you don't have access to all the ingredients therefore you may have to adapt the recipes in order to find an ingredient that would be a good substitute. There is lots of choice on this website for some delicious meals and a shopping list of the ingredients you need. <https://classroom.thenational.academy/activity-clubs/bite-back-2030>

#### R.E

This week we will be recapping our learning of what the holy trinity is.
